

Ahoy matey! Let's make a yummy pirate ship snack!

1. **Gather ye treasure.** You need a bag filled with loot (popsicle stick, chocolate covered mini donut, pretzel stick, 5 Goldfish crackers, and a pre-cut fruit strip square), a small cup of blue frosting and a paper plate.
2. **Walk the plank.** Use your popsicle stick to spread a layer of blue frosting on your paper plate to represent the "ocean".
3. **Dock your sea rover.** Place your chocolate-covered donut "ship" in the center of your frosting ocean.
4. **Raise the mast.** Gently (but firmly) push your pretzel stick "mast" into the side of your "ship".
5. **Hang your Jolly Roger.** Use the pre-cut fruit strip square to hang your "ship's" flag, the Jolly Roger, by slipping it over the "mast".
6. **Feed the fish.** Place your Goldfish crackers in the "ocean" surrounding your "ship".
7. **Enjoy your booty.** Enjoy your tasty treat, but be careful not to get in the way of a greedy buccaneer and his shiny treasure! Yo Ho Ho!
